

Text with image inline.

The following image is cropped to the column width<sup>1</sup>:

This paragraph is a long paragraph that spans multiple lines and also contains an image

ith nice beautiful and auto-scaled margins. Isn't this a great feature for

<sup>1</sup> - an image inside a note!

everyone seriously using images?  
Margins are (20,60,50,40) for (l,t,r,b).
