

This is the second section.

Here's to the crazy ones. The misfits. The rebels. The troublemakers. The round pegs in the square holes. The ones who see things differently. They're not fond of rules. And they have no respect for the status quo. You can quote them, disagree with them, glorify or vilify them. About the only thing you can't do is ignore them. Because they change things. They push the human race forward.

And while some may see them as the  
crazy ones, We see genius. Because  
the people who are crazy enough to  
think they can change the world, Are  
the ones who do.
