

Text

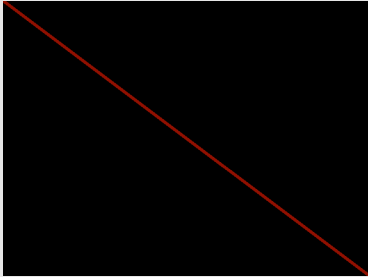

with image

inline.
The following image is cropped to the column width:

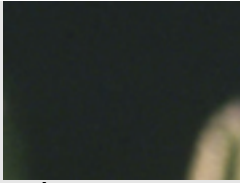

1
This paragraph is a long paragraph that spans multiple lines and also contains an image

with nice beautiful and auto-scaled margins. Isn't this a great feature for

1

- an image inside

a note!

everyone seriously using images?
Margins are (20,60,50,40) for (l,t,r,b).
